Linea Micro Terrazzo

## SB 157 Smeraldo

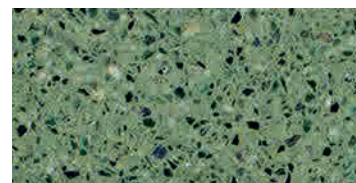

### CARATTERISTICHE TECNICHE / TECHNICAL DATA / TECHNISCHE DATEN

|                                                                                     |                                                                              |                                                                                                         |
|-------------------------------------------------------------------------------------|------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
|  | Resistenza alla flessione<br>Flexural strength<br>Biegezugfestigkeit         | 8 MPa                                                                                                   |
|  | Assorbimento d'acqua<br>Water absorption<br>Wasseraufnahme                   | 5,4 M%                                                                                                  |
|  | Resistenza all'abrasione<br>Resistance to abrasion<br>Schleifverschleiss     | 14,8 cm <sup>3</sup> /50cm <sup>2</sup>                                                                 |
|  | Resistenza alla compressione<br>Resistance to compression<br>Druckfestigkeit | ≥ 60 MPa                                                                                                |
|  | Carico di rottura<br>Breaking load<br>Bruchlast                              | ≥ 3 kN                                                                                                  |
|  | Resistenza allo scivolamento<br>Slippage resistance<br>Rutschwiderstand      | Standard R9<br>Standard R9<br>Standard R9                                                               |
|  | Resistenza al fuoco<br>Fire resistance<br>Brandverhalten                     | A1 <sub>fl</sub> non infiammabile<br>A1 <sub>fl</sub> fire resistant<br>A1 <sub>fl</sub> nicht brennbar |
|  | Resistenza al gelo<br>Frost resistance<br>Witterungs-Beständig               | Classe 2/B<br>Class 2/B<br>Klasse 2/B                                                                   |
|  | Rapporto di prova<br>Test report<br>Prüfbericht                              | AG2016057                                                                                               |
|  | Data di prova<br>Test date<br>Prüftag                                        | 22/07/2016                                                                                              |

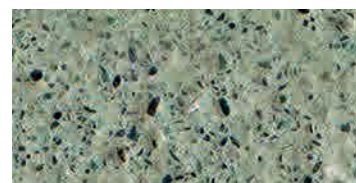

### Finiture / Finishing / Bearbeitung

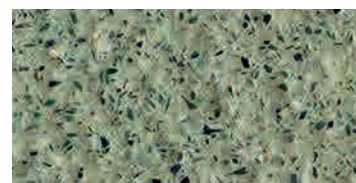

levigato / honed / geschliffen

lucido / polished / poliert

spazzolato / brushed / gebürstet

bocciardato / bush-hammered / gestockt
